

## PRIVACY OF PERSONAL INFORMATION AND APPROVAL FOR RELEASE

### 1. Please verify the personal information we hold against your membership. Correct, or add any missing, detail.

Name	Fold Name
Physical Address	Postal Address
Phone	Fax
Email	Web site address
Date of Birth	

(Note that the date of birth information is only used for junior membership verification and will not be released to either members or select providers of services)

### 2. Release of information to other members of the NZHCS

I understand that my personal information will be used by the Society for the effective management of the Society and of the Society's herd book. Personal information may be made available to other Society members through internal publication of membership lists and herd book information.
---

### 3. Release of information to the public by way of the Society's web site *Tick if yes*

I approve of my personal information (except date of birth) being placed on the Society's web site	
--	--

### 4. Release of information to select providers *Tick if yes*

I approve of my personal contact information (except date of birth) being released to select providers of information that can add value to me as a breeder of highland cattle and or a member of the New Zealand Highland Cattle Society	
---	--

### 5. Preference for the use of email *Tick if yes*

I prefer to have communication from the Society sent to me via email. <i>Note: the Society is progressively upgrading its ability to communicate/transact electronically but phone and mail communication will continue to be used for a number of communications/publications</i>
